

## WARDROBE CATALOGUE

## Putting together your perfect wardrobe

Here at Baker Bespoke we want to provide you with the best possible service to create your perfect bespoke wardrobe at an affordable price.

Baker Bespoke is a small local Bristol business specialising in wardrobes, kitchens and fitted furniture. This catalogue has been created to help you decide what style is right for your home and what design suits your storage needs best.

Unlike other larger companies all of the products shown are made specifically to fit your room. If there is something you can't find in the catalogue that you have seen elsewhere please feel free to send over a picture and we will try our best to match it for you.

Each of the steps listed on the next page are designed to help you build your perfect wardrobe. If you have any questions along the way feel free to call Mark on 07301041386 and I will be more than happy to help.

Before you start working your way through each step of the catalogue, you may want to get some inspiration by checking out our Instagram @bakerbespoke to see some of our previous work.

# Picking your wardrobe

● **STEP 1**  
**Pick a Style**

There is an extensive range of wardrobe doors to create a variety of styles; from modern, traditional or contemporary, there's something for everyone.

● **STEP 2**  
**Pick Your Exterior Design**

There are a few types of layout along with some additional features which can change the look of your wardrobe. Here we show you some examples and explain which features tend to work best in different size rooms.

● **STEP 3**  
**Pick a Finish**

A full range of nearly 40 colours and finishes available. You will need to select a finish for the exterior of your project and also the interior. The available colours and finishes for each of these are shown in the corresponding sections.

● **STEP 4**  
**Pick Your Interior Design**

When it comes to wardrobe interiors the possibilities are endless! We've put together some of our most popular interiors to help give you a bit of inspiration. Pick an interior that works best for your needs and if there's any additions or alterations you'd like to make to them just let us know and we will try our best to accommodate.

● **STEP 5**  
**Pick Your Handles**

We stock a small range of quality handles which can be used to create many different looks. However, if you can't find exactly what you're looking for here we are more than happy for you to source your own handles and we can fit them for you!

● **STEP 6**  
**Pick Your Extras**

A full range of extras are available to help complete your perfect wardrobe, including mirrors, lighting and bespoke matching bedroom furniture.

STEP 2

# PICK YOUR EXTERIOR DESIGN

# Door Layout

## Full length doors

- Our most common installation for average ceiling heights
- Most cost effective design
- For rooms with a ceiling height of up to 2560mm max

## Full length door with top box

- Most commonly used in rooms with high ceilings of 2550mm and above
- Allows separate area for storage

## Linen press drawer fronts

- For use in designs where drawers are included
- Allows easier access to drawers
- Provides deeper drawers
- Creates different aesthetic to your wardrobe

## Top box and Linen press drawer fronts

- Most commonly used in rooms with high ceilings of 2550mm and above
- Allows separate area for storage
- For use in designs where drawers are included
- Allows easier access to drawers
- Provides deeper drawers
- Creates different aesthetic to your wardrobe

# Face Frame Style

Face frame refers to the panels which sit around the doors of your wardrobe, we offer two different options of which will change the look of your wardrobe.

## Flush frame

- Our most popular style
- Perfect if you want to get that complete floor to ceiling look
- Fitted with our wardrobes as standard at no extra cost
- Suited to all ceiling heights
- Allows maximum space within your wardrobe
- Matches well with all door styles and room layouts

## Cornice and Skirting detail

- Suited more to ceiling heights of above 2400mm
- Additional cost to add to the wardrobe
- Lends itself particularly well to traditional and panel door styles
- Well suited to properties with traditional features such as
- 2 different styles of cornice and skirting available
- Wardrobe stops below the line of the ceiling once fitted

Cornice profiles available:

- Contemporary cornice

- Traditional cornice

Skirting profiles available:

- OG plinth

- Pencil rounded plinth

STEP 3

PICK YOUR FINISH

# Finish Choices

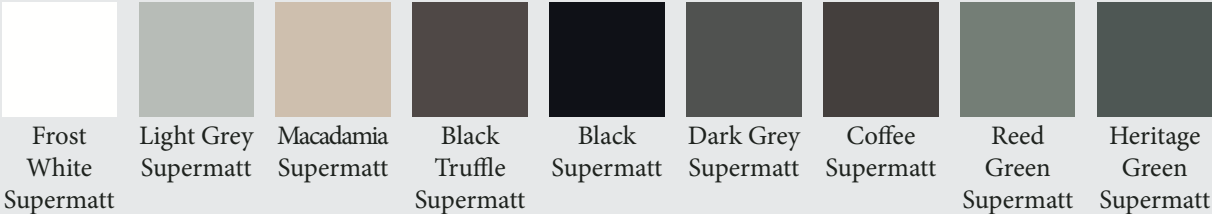

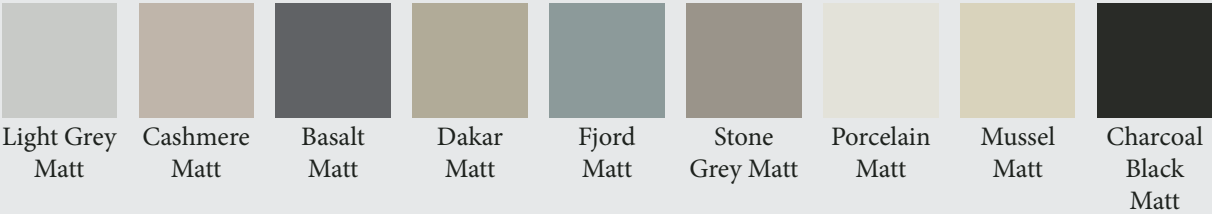

We offer a variety of different vacuum formed finishes that come in various different colours and textures.

You are able to select a finish for both the exterior and interior of your wardrobes from the colours shown below.

If there's a specific colour you are looking for and you cannot find it here, please let us know and we will try our best to find a match for you.

## Exterior finishes available:

### MATT

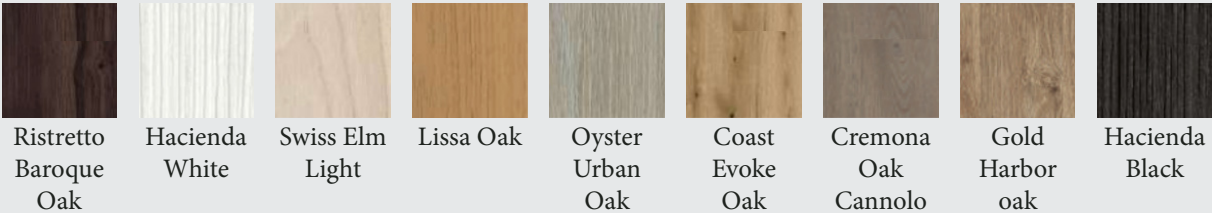

### GLOSS FINISHES

OAK EFFECT FINISHES

WOODGRAIN EFFECT

Interior finishes available:

STEP 4

# PICK YOUR INTERIOR DESIGN

# Pick your internal design

There are many possibilities when it comes to designing your internal wardrobe layout. These are some examples of the most popular interior cabinets we fit on a regular basis. The majority of these can be made into a one or two door cabinet, however those with a \* next to them are only available in a two door cabinet. We can adjust all these interiors to suit your specific needs so if you'd like to make any adjustments or add any extras just let us know.
